Mr. [redacted] Pearson issued the new shipper is the id was the last shipper made of green to [redacted]. I believe what packages Ed counted were the residue of shipments unused on hand. His previous cash shipments were prior to July 31, 1956, and no individual shipment was in the amount of $30,000.00.

What Ed was doing is setting up a special emergency fund consisting of $30,000.00, so I take it he found the shortage in counting and $30,000.00.
